

LOST CAT

ABBIE, a **20-pound** longhaired tuxedo cat, has been missing from his Hall Avenue home since the morning of Sunday, February 3, 2008.

He is now presumed out and about, probably in the Davis Square area. There was a possible sighting at Kidder and College on Tuesday (2/5) night. He has no collar or tags, unfortunately, but he is friendly to people. He also enjoys whatever it is you're eating at the moment. We miss him very much and want him home safe and dry.

If you have seen him or have taken him in, please contact **Rob** at **(617) 501-8903** (leave a message) or email rnoyes@gmail.com

Thank you very much.
